

ARE YOU ENCOUNTERING DIFFICULTIES WHEN IMPLEMENTING QUALITY CONTROL CIRCLE (QCC) ACTIVITIES AT YOUR FACTORY?

- Do you wish to implement QCC activities at factory in Vietnam at the same level as it is in Japan?
- Do you wish to be able to understand the meaning and effective implementation process of QCC activities clearly?
- You are implementing QCC activities, but your team members have not fully understood the meaning and actively participant in these activities. Do you wish to know the way to make QCC activities actively?
- Through QCC activities, you wish to bring up the leader and to raise awareness of quality and improvement activities for team members?

Do you know? One of the things which leads to the super quality of Japanese products and trademark "Made in Japan" is QCC activities. However, when these activities are implemented in other countries, not understanding of QCC deeply makes it not achieve the desired results. "Quality Control Circle" training course of AIMNEXT VIETNAM will help you understand the fundamental knowledge and the implementation of QCC from the most basic points. Through this, you could implement and participate effectively in QCC activities at your factory.
