

# GEMBA KAIZEN CONSULTING

Staffs don't understand meaning of kaizen, leading to lack of kaizen ideas or can't realize problems to improved.

Staffs aren't trained gemba kaizen systematically. So they don't know where to start and feel that kaizen is too difficult

Your company is conducting kaizen program, but it isn't as effective as you expect.

## Difficulties in kaizen

With years of experience in manufacturing training and consulting, we support clients in building an effective kaizen program:

Staffs understand importance of kaizen, hence motivates them to kaizen.

Staffs are provided with kaizen process, knowledge and tools to apply into Kaizen activities

Consultant accompanies staffs in their kaizen project. Company could see the result right away
