

A company's sustainable and long-term success always begins with compliance!

- ☑ Why do companies often pay special attention to compliance?
- ☑ Do you know how bad each of your small compliance violations does damage not only to yourself directly but also to company?
- ☑ What kinds of compliance awareness and regulations are issues for serious consideration? Which behaviors are considered normal by Vietnamese employees but unacceptable by companies, specially Japanese companies?

Let's join Aimnext's "RAISING EMPLOYEE AWARENESS OF COMPLIANCE" course and together build a healthy work environment, and have early prevention of compliance risks for company.
