

TIME MANAGEMENT TO INCREASE WORK EFFICIENCY

~Optimize time resource and maximize productivity through advanced time management skills !~

- ♦ Are you feeling overwhelmed and stressed with endless stream of tasks lists and assignments?
 - ♦ Do you frequently miss deadlines and have to delay many tasks, which impacts the performance evaluation by your superior?
 - ♦ Are you constantly interrupted by emails, phone calls, and requests from superiors, colleagues, and subordinates, making it difficult to focus and achieve your working plan
- If you answered "yes" to any of these questions, then the "Time management to increase work efficiency" course offered by Aimnext Vietnam is the perfect solution for you. By enrolling in this course, you will learn valuable principles and useful tools that will help you work more efficiently, reduce stress, and achieve your goals both in your professional and personal life.**

Time resource is equal for everyone, granting every person 24 hours a day. Those who can master their time will also master the quality of their life.

CONTENT

Part 1: Understanding Time and Time Management
